- View catalogues online
- Subscribe to RSS feeds for your favourite web sites
- What about on the move?

First Things First - Stop Paper!

- One option when on the move
- Snap it Evernote iPhone App
 - Business Cards
 - Receipts
 - Location & Date
 - Tag and Upload

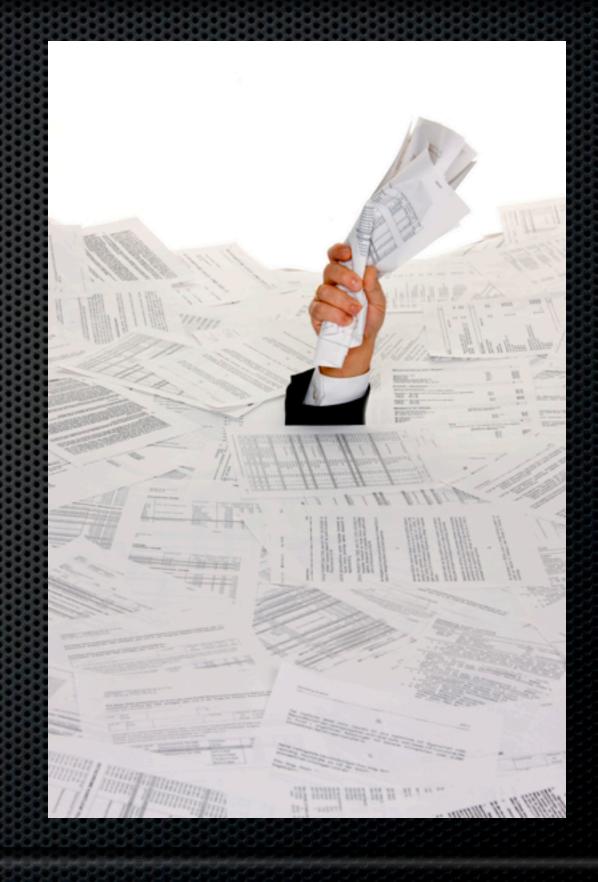

Have a Clear Out!

- Before starting to "Go Paperless"
 - Throw out everything you don't need
 - Organise your environment
 - Devise a workflow

What Hardware?

Digitising or Image Capture

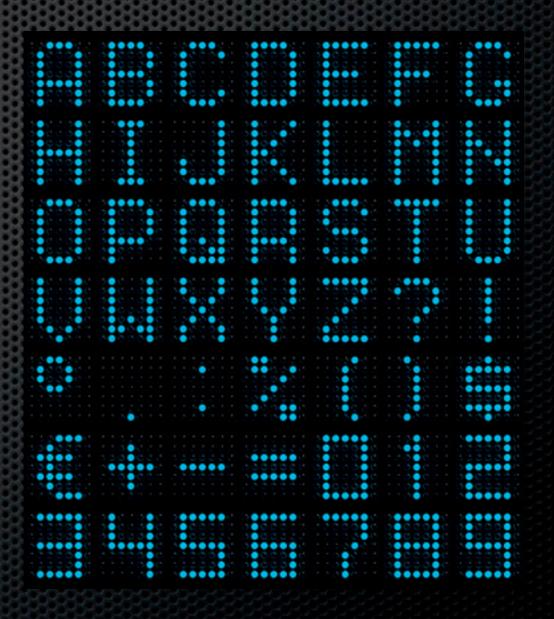

Scanners

- Desktop or Portable
- FlatBed or ADF Automatic Document Feeder
- OCR Optical Character Recognition
- Single Pass/Duplex
- Connectivity
- Resolution

Resolution

- For paperless, ultra high resolution not required
 - 300 dpi for black and white
 - 150 dpi for colour/greyscale
- Reprinting?
 - 600 dpi Why not stick with 600?
 - Speed & file size

End game - What to aim for

- Remove the friction
- Make it simple
- Make it easy
- Make it quick
- Error free
- Recommendations?

Recommendations?

Desktop Scanner ScanSnap S1500M

ScanSnap S1500M for Mac

Key Features

- Bundled with some scanners/applications:
 - SnapScan ABBYY Fine Reader Express for Mac
 - Neatworks for Mac NeatDesk and Neat Receipts
 - DevonThink Pro ABBYY Fine Reader
 - Evernote OCR in the cloud

- Local Applications
 - Local Folders & Hazel
 - DevonThink Pro Office
 - Paperless
 - Yep
- Cloud based
 - Evernote

Organising your data Benefits of Digital

- Infinitely flexible filing system
 - OCR All text is searchable not reliant on you
 - Multiple Tags allow you to be as flexible as you want
 - Rapid retrieval
 - Visual assessment

DevonThink Pro Office

- Integrated Scanning
- Local OCR
- Email Archiving
- Search, Classify & Show Relationships
- Local Storage need backup
- Built in Web Server for sharing

Evernote

- Integrated Scanning
- OCR in the Cloud (Images)
- Notebooks (Local & Sync) and Tagging
- Local and Web Based Storage
- Web, iPhone & iPad apps
- Email to Evernote
- Location aware, Cross Platform

Evernote

- Integrated Scanning
- OCR in the Cloud (Images)
- Notebooks (Local & Sync) and Tagging
- Local and Web Based Storage
- Web, iPhone & iPad apps
- Email to Evernote
- Location aware, Cross Platform

Organising your data Security

- Evernote Premium has encryption but other options:
 - Create Local Notebooks for local storage and backup
 - Create local encryted disk images and scan directly to them
 - Use Disk Utility to create password protected disk images

Organising your data Security

- Evernote Premium has encryption but other options:
 - Create Local Notebooks for local storage and backup
 - Create local encryted disk images and scan directly to them
 - Use Disk Utility to create password protected disk images

PDFPen

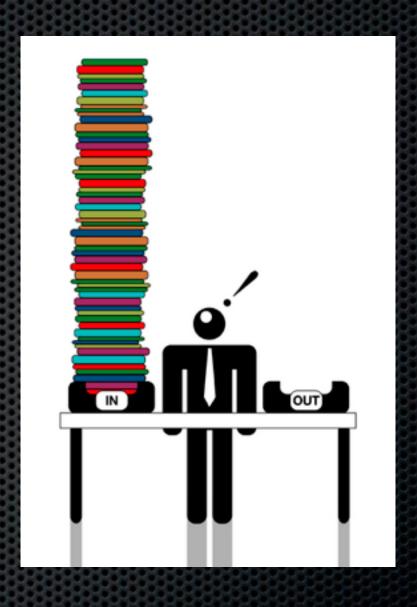

- Working with PDFS....
 - PDFPen by Smile
 - Edit PDF directly add/delete pages
 - Sign documents electronically
 - Redact information easily
 - Includes OCR

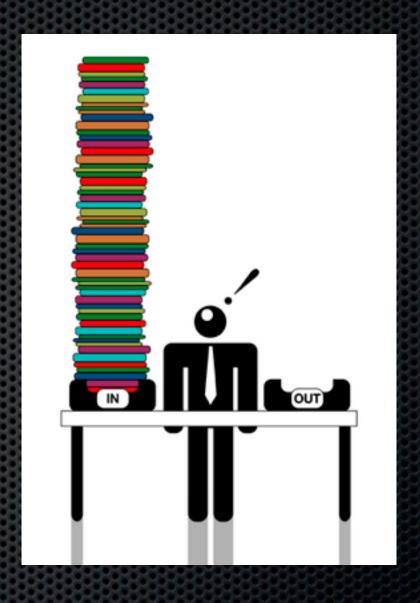

Workflow & Considerations How to do it?

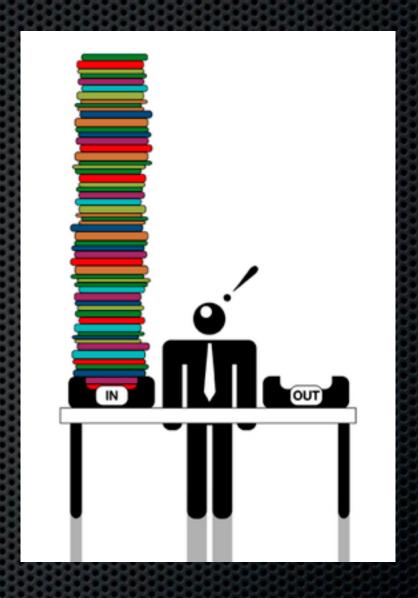

- Establish a workflow
 - Create an Inbox for Scanning
 - Options
 - Scan immediately on receipt, don't let it build up
 - Once a day minimum tag as you go

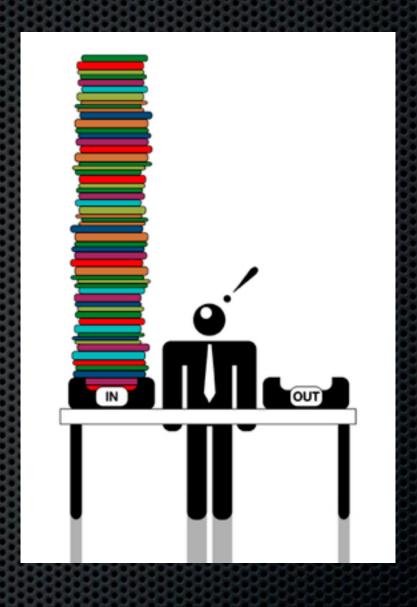

- Decide on what to do with originals?
 - Shred, Recycle, File?
 - Need to keep for legal reasons.....
 - Legal docs, Insurance Policies, Warranties, Maintenance records...

- Establish a Backup Strategy
 - "Become a Backup Ninja" Session
 - Three backups
 - Local, Offsite, Online
 - Intecept the Scan and make a copy

- What about the backlog?
 - Break down into small chunks
 - Set a daily target
 - Get someone else to do it!
 - Intern, family member
 - Bureau Services Google "Bulk Document Scanning"

Moving Forward

Forward everything to your Digital Brain

- Print to PDF Use the OSX Print Integration with application
- Use the browser plugins to print direct to application
- Printopia Print from your iOS device direct to PDF or DropBox
 - Setup folder actions to forward to application

Open PDF in Preview Save as PDF... Save as PostScript... Fax PDF...

Mail PDF

Save as PDF-X

Save PDF to Aperture

Save PDF to folder as JPEG

Save PDF to folder as TIFF

Save PDF to iPhoto

Save PDF to Web Receipts Folder

Open with PDFpenPro

Save PDF to DEVONthink Pro.scpt

Save PDF to Evernote

Save PDF to Scrivener
