iPhone Screenshots

A lot of the color photos I've seen from before the 1950s strike me as stiff, over-worked, or so experimental as to be a "Hello, World." They're cool from a technical standpoint, but they often don't tell you any more about the subject than a well-produced monochrome image would.

Given the costliness of the film and the complexity of the process, it's easy to understand why early color photographers had to be choosy about picking the subjects and conditions that their camera *could* capture well (rather than, as is ideally the case, working the other way around).

- Chicken Carbonara**
Main Dish » Poultry - Chicken
★★★★★ - 77 Reviews

The screenshot shows the recipe details page for 'Parmesan Crusted Chicken'. It features a dark red header with three buttons: 'Search', 'Overview', and 'Prepare'. Below the header is a horizontal row of five small recipe images. The main content area is divided into three sections: 'Ingredients', 'Preparation', and a partially visible 'Preparation' section at the bottom.

Ingredients

- 2 cloves Garlic crushed
- juice of 2 lemons
- 4 servings Angel Hair
- 1 tablespoon Butter
- 2 tablespoon Parmesan for garnish
- 1 teaspoon Garlic salt
- 2 each Chicken breasts
- 3 teaspoon Fresh parsley for garnish
- 4 tablespoon olive oil
- juice of 2 limes

Preparation

Combine olive oil, lemon juice, lime juice, garli and the skins of the lemon and limes in a ziploc bag. Marinate overnight, or a minimum of four hours.

Prepare hot grill, and bring large pot of water

Need to fix inventory issues... ★★★
by Brittanongrata

It says that you can go back to the build menu and get items placed in your inventory for free...well, expecting a real menu/listing in the build menu, like a REAL inventory, I just picked my snowman to try it out. Well since that was a free item and isn't in the build menu now my snowman's disappeared. I'm glad I didn't pick a moneymaking

Updates.... ★
by Tim Kelly

Worst update ever. Free games give better updates than this paid one. No retina or endless mode is very disappointing. You already had the achievements, so Game Center adds nothing to game play. Explicitly stating that the update is to make it easier to give 5 stars??
