www.packal.org

The screenshot shows a web browser window with the Packal website. The browser's address bar displays 'www.packal.org'. The website's navigation menu includes 'Packal', 'Workflows', 'Themes', 'Docs', and 'FAQ'. On the right side of the navigation bar are links for 'Search', 'Submit', and 'Login / Register'. The main content area features the Packal logo (a small cardboard box character) and the text 'Packal (beta) puts Alfred Workflows and Themes at your fingertips.' Below this, it states 'Offering you 237 Workflows and 50 Themes.' A search box with a 'Search' button is provided. The page is divided into three columns: 'Random Workflows', 'New Workflows', and 'Random Themes'. The 'Random Workflows' column lists items like 'MailURL', 'Route to contact or location', 'Recent Documents', 'Text Tokenizer', and 'Sermon Scheduler'. The 'New Workflows' column lists 'VEVO.com Quicksearch', 'Flush DNS', 'Ratio Calculator', 'Open clipboard in browser', and 'Sublime Text Projects'. The 'Random Themes' column lists 'Glass', 'Retro.f', and 'Clear Light Mind'. The browser's status bar at the top shows system information like 'Sat 15:29' and '79%' battery.
